TAX RATES

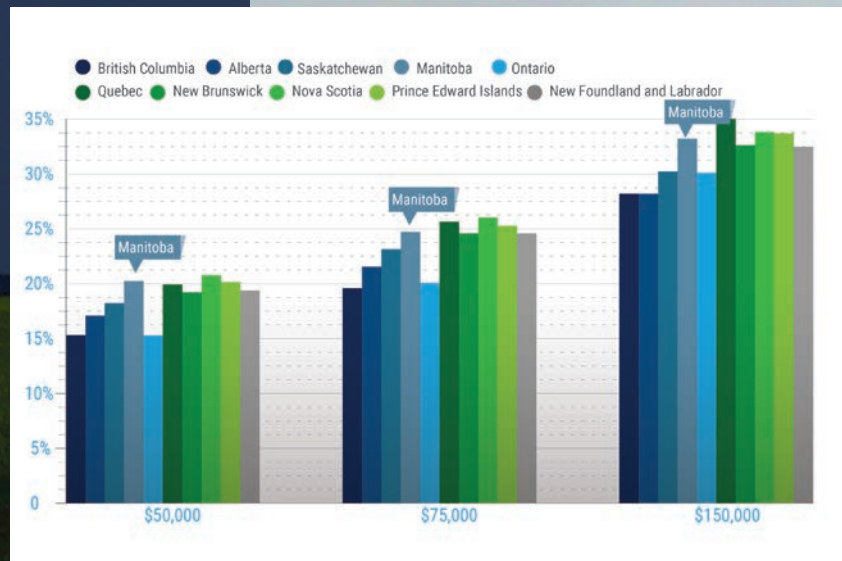

01 PROPERTY TAX

Property taxes in Manitoba are calculated by applying the municipal and educational mill rates (municipal tax rate) against the portioned assessments of a property, which is 45% for residential buildings.

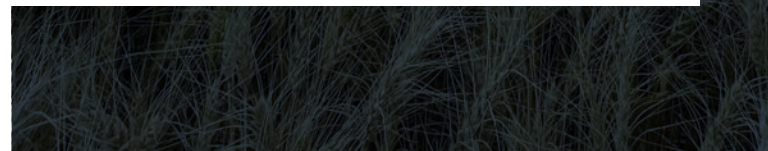

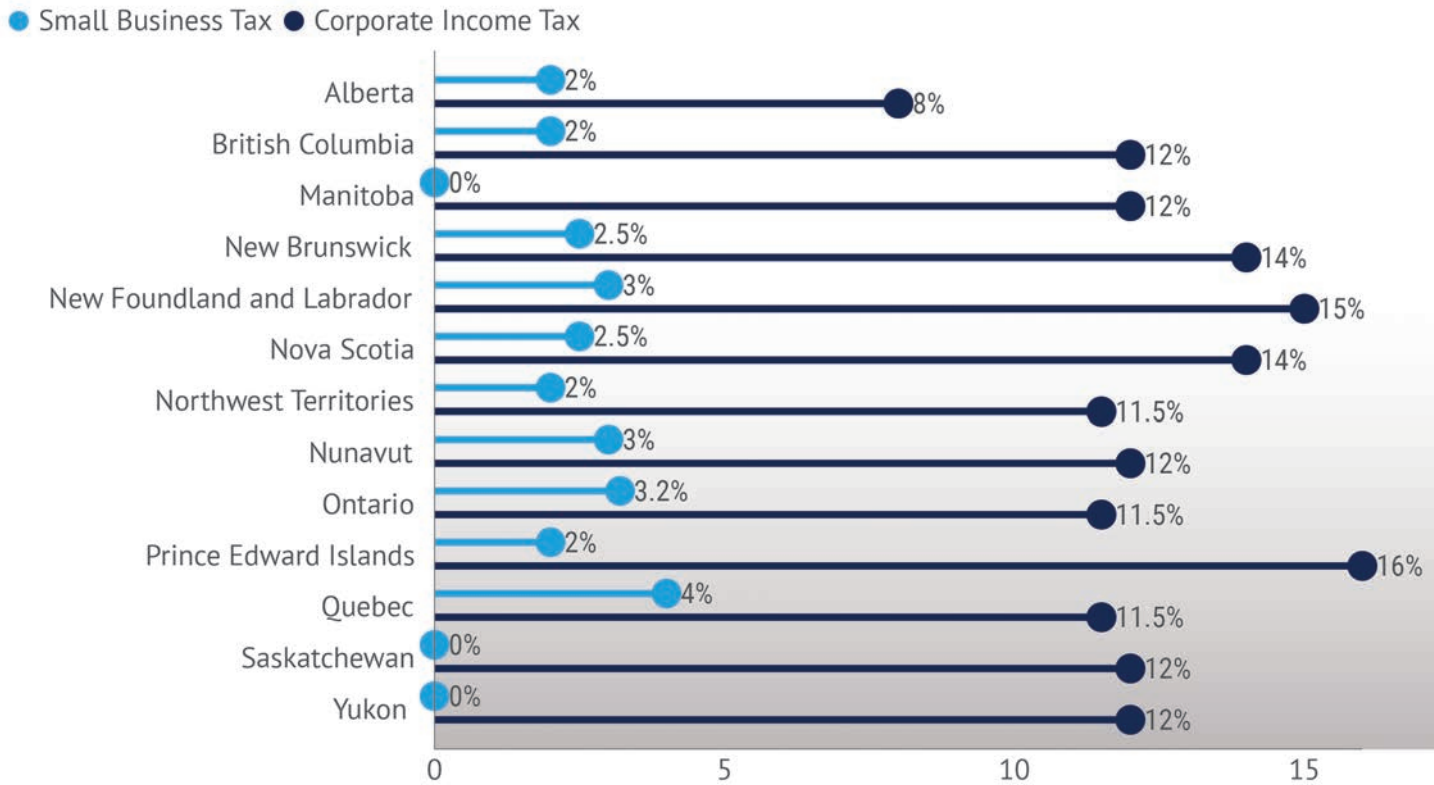

02 INCOME TAX

Income taxes in Manitoba are calculated similarly to the rest of Canada, using the federal tax brackets and rates, but with a provincial tax component added on top. Provincial tax rates in Manitoba are lower than the federal tax rates, but still contribute significantly to the overall tax bill.

03 CORPORATE TAX

The corporate provincial income tax rate for Manitoba, which applies to Portage la Prairie, is 12% which is in line with the national average. For small businesses, corporate provincial income tax is 0% on the first \$500,000 CAD of active business income.

BUSINESS

PROGRAMS AND INCENTIVES

COMPREHENSIVE PROGRAMS AND INCENTIVES, TO TAKE YOUR BUSINESS TO THE NEXT LEVEL

Business Expansion/Capital Investment

Industry Expansion Program

The Industry Expansion Program is aimed at supporting companies that are locating new operations in Manitoba or expanding existing Manitoba operations.

Manitoba Works Capital Incentive

The Manitoba Works Capital Incentive encourages significant new business investment or existing business expansion by creating a competitive tax environment to help diversify Manitoba's economy and stimulate job creation.

New Product/Process Development

Innovation Growth Program

The IGP provides cost-sharing assistance to Small and Medium-Sized Enterprises (SMEs) to assist them in developing and commercializing new innovative products and processes. Under the IGP, firms may apply for a non-repayable grant of up to \$100,000 per project to cost-share eligible expenses on a 50/50 basis. The IGP approves projects using a competitive process and quarterly intakes.

Green Energy

Green Energy Equipment Tax Credit

"Property owners who install a geothermal heat pump system in Manitoba can receive tax credits from the Manitoba government as follows:
a 7.5% tax credit – on geothermal heat pumps that are manufactured in Manitoba for use in Manitoba, plus a 15% tax credit – on the remainder of the capital costs of the geothermal system (excluding the heat pump) if the installer is certified by the Manitoba Geothermal Energy Alliance, Inc."

BUSINESS

PROGRAMS AND INCENTIVES

Workforce Training/Development

Small Business Minimum Wage Adjustment Program

The Small Business Minimum Wage Adjustment Program provides support to small businesses to help offset the impact of the minimum wage increase on October 1, 2022 from \$11.95/hr to \$13.50/hr.

Canada-Manitoba Job Grant

The Canada-Manitoba Job Grant is an employer-driven approach to help Manitobans gain the skills they need to fill available jobs and to help employers develop the skills of their existing workers to meet the requirements of their present job, or to move into a better job.

Sector Council Program

The Sector Council Program supports organizations in key Manitoba sectors to develop and deliver workforce training for new and existing employees to support business growth and prosperity.

Workforce Development Program

The Workforce Development Program assists companies to assess human resource (HR) management needs and develop and implement HR and workforce training and development plans.

Paid Work Experience Tax Credits

The Paid Work Experience family of tax credits provides qualified employers with a percentage of the wages and salaries paid to certain types of trainee employees and recent graduates working in Manitoba.

Young Entrepreneurs Grant Program

The Young Entrepreneurs Program encourages Manitoba's young people to start their own full-time, viable businesses, and in the process pursue self-employment as a career choice. Under the Young Entrepreneurs program, approved applicants are eligible for a grant of up to \$4,000 to help defray business start-up costs and capital expenditures.

First Jobs Fund

The First Jobs Fund Program is designed to support innovative employment and training experiences to prepare at-risk youth aged 15-29 for their first job, which increases likelihood of future sustainable employment.

Equity Capital

Community Enterprise Development Tax Credit

The Community Enterprise Development Tax Credit (CEDTC) provides a refundable Manitoba tax credit of up to 45% to individuals and corporations who acquire equity capital in community-based enterprises in Manitoba.

Small Business Venture Capital Tax Credit Program

The Small Business Venture Capital Tax Credit (SBVCTC) provides a non-refundable Manitoba tax credit of up to 45% to individuals and corporations who acquire equity capital in eligible Manitoba enterprises.

Employee Share Purchase Tax Credit

The Employee Share Purchase Tax Credit offers employees (including directors and officers of an eligible corporation) the opportunity to buy into and own a portion of a business under an Employee Share Ownership Plan (ESOP). The aim of the program is to support business growth, facilitate succession planning for family businesses and promote employee participation in business success.

Equipment Purchase

Manitoba Manufacturing Investment Tax Credit

The Manufacturing Investment Tax Credit supports businesses by providing an eight per cent tax credit (seven per cent refundable and a one per cent non-refundable) that acquire qualified plant, machinery and equipment for first-time use in manufacturing or processing in Manitoba.

COMMUNITY PROFILE

LIVING

From the stunning natural beauty that surrounds us to the close relationships we build with our neighbors, our community offers a unique and fulfilling lifestyle that you won't find in a big city. Whether you're looking to raise a family, start a business, or just enjoy a simpler way of life, our community is the perfect place to call home.

LIVING

ARTS & CULTURE

William Glesby Centre

In the heart of Portage la Prairie, the theatre is equipped with modern technology offering concerts, shows, and quality entertainment. Country music, comedy tours, concerts, and dance recitals are hosted in this 40-seat performing arts facility throughout the year. Its versatility allows it to host a wide variety of community events and galas.

Portage & District Arts Centre

Located under the same roof as the Glesby center, this art center is home to visual artists of all disciplines. With three galleries exhibiting both local and national artists, the center also fosters workshops and classes for local artists throughout the year.

Prairie ripple

Established in 2007, a group of individuals boosts local hidden talent by promoting art and techniques. This dynamic organization participates in cultural activities and supports the local community. They stay connected with the public through a website and a Facebook page to display their energetic artistic work.

Prairie City Cinema

Opens 7 nights a week, equipped with five screens and Dolby® & Digital Surround Sound, the cinema offers from the latest Hollywood blockbuster to heart-warming all-ages films.

LIVING

INDIGENOUS CULTURE

EXPLORE THE RICH CULTURE AND HERITAGE OF INDIGENOUS PEOPLES IN PORTAGE LA PRAIRIE

In Portage la Prairie, there are 3,735 Indigenous residents, with the number expected to grow over the next 20 years. The Métis (1,825) and the First Nations (1,820) are the two most significant indigenous population groups. In Portage la Prairie, the three major First Nations that make up the Dakota Ojibway Tribal Council are the Dakota Tipi, Dakota Plain, and Long Plain.

INDIGENOUS COMMUNITY COORDINATOR

Since 2018, the city has had an Indigenous Community Coordinator whose role is to assist in building a stronger partnership and support the needs of the urban Indigenous residents.

LIVING

SUPPORTING INDIGENOUS COMMUNITIES

A LOOK AT THE INDIGENOUS ORGANIZATIONS OFFERING ASSISTANCE IN DIFFERENT FIELDS

Dakota Ojibway Child & Family Services

The Dakota Ojibway Child & Family Services provides child protection and family services.

On-Reserve Housing & Community

Portage Friendship Centre

The Portage Friendship Centre (PFC) works towards enhancing the quality of life for all youth by providing a structured support system.

LIVING

PARKS AND RECREATION

PORTAGE LA PRAIRIE IS HOME TO OUTDOOR ACTIVITIES ALL YEAR ROUND.

The two aquatic parks, Splashland and Stride place provide water activities all year round. Splashland opens at the arrival of summer, offering a fun and accessible aquatic experience for all ages. Stride place is inside the Shindelman Aquatic Centre and is home to Manitoba's largest indoor wave pool, depth beach entry, hot tub, lazy river, and a large indoor waterslide.

In addition, Stride place's facilities include two NHL regulation-size arenas, a 4,000-square-foot fitness center, and other special event facilities that can host a variety of conferences, trade shows, and receptions.

PORTAGE EXHIBITION GROUNDS

Located on Island Park, the Portage industrial exhibition association celebrates the region's agricultural heritage since 1872. Every summer, the portage fair is hosted, and the exhibition grounds host events like horse shows, pumpkin contests, or concerts. The site also provides a campground with 44 electric/water sites, washrooms, and showers. In addition to the two outdoor arenas, the Portage exhibition grounds is home to the MNP Exhibition Building, which accommodates up to 600 people, making it the perfect place for an outdoor wedding or special event.

LIVING

SPORTS

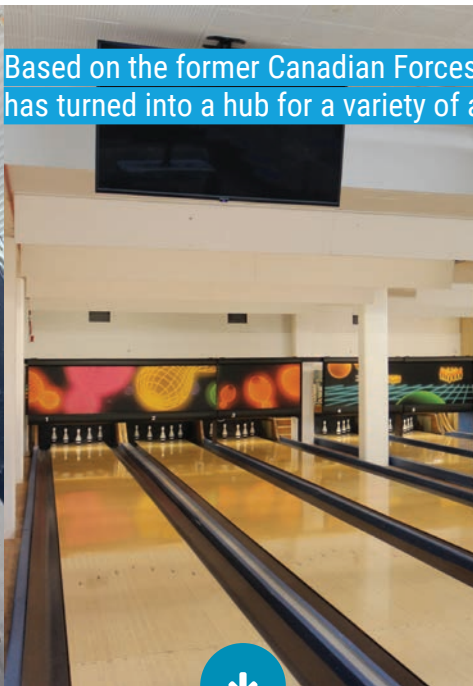

Portage la Prairie is home to the sportsman and women, with the possibility to play sports such as golf, curling, and hockey, but also walking and biking on the natural treasure inside and around the city.

Based on the former Canadian Forces Base Portage la Prairie, Southport has turned into a hub for a variety of activities.

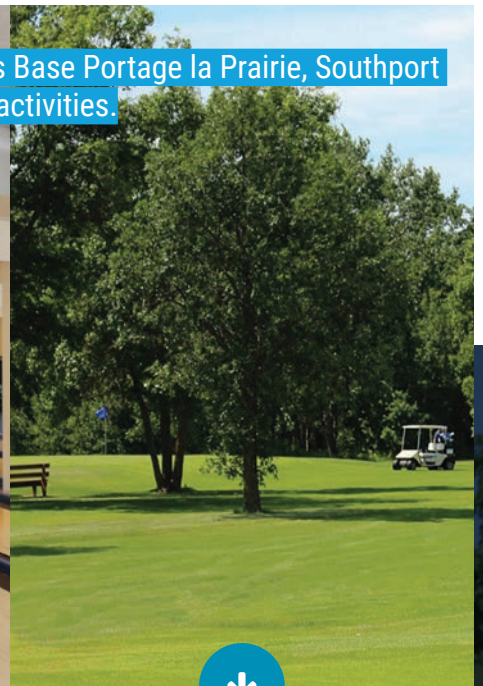

The Central Plains RecPlex

- 9-meter rock climbing wall
- 110-meter indoor track
- fully equipped gym and fitness center

Bowling Alley

- 5-pin bowling alley
- child daycare

Southport golf club

- 9-hole golf course designed for all levels of play
- only driving range in the region.

LIVING

BDO CENTER

BDO Center is an indoor recreational facility and a community center for the region. The ice hockey facility can be rented for ice sports, and the other facility can be used by sports teams and community groups for events throughout the year.

PORTAGE GOLF CLUB

Portage Golf Club is an 18-hole, par 70, 6355-yard lakeside course. You could also spend some time at the fully licensed clubhouse, and the on-site pro shop where you will be able to rent carts and clubs.

PORTAGE CURLING CLUB

Home to an eight-sheet curling rink, allowing it to host league play and bonspiels. The large indoor seating space, and the additional viewing available from Tavern united, will make you enjoy any game.

PORTAGE TERRIERS

Portage la Prairie is also the home of The Manitoba Junior Hockey League's Portage Terriers. The club has produced many successful players who have gone on to the professional circuit and have left a legacy here in central Manitoba.

LIVING

NATURE

DISCOVER
THE BEAUTY
OF NATURE

Island Park's Arboretum is a four-acre outdoor epicenter for the central Manitoba natural ecosystem. With more than 200 species of plants, horticulture, and forestry, the information station will guide you through this accessible venue.

“STRAWBERRY CAPITAL OF CANADA” CRESCENT WALKING PATH

Portage la Prairie is known as the “strawberry capital of Canada,” as during strawberry season, with an empty bucket in hand, visitors come to get out to the berry patch and select their berries.

Enjoying nature and spectacular views while walking is possible at the Crescent Walking Path. The 5,2km pathway surrounding Island Park is paved, illuminated, and accessible 24/7. Crescent lake is also the habitat for geese, ducks, and pelicans among others, offering an up-close proximity to view the entire flock, which can be seen from the Crescent walking path and other lakeside vantage points.

LIVING

OUTDOOR PARADISE

Just 25km north of Portage la Prairie is located one of Canada's largest lakes: Lake Manitoba. Lake Manitoba is the largest natural lake in Western Canada, and it's also home to the world's largest inland delta. The lake itself is home to a wide variety of fish, including walleye and northern pike, as well as a number of birds and other animals.

The surrounding area features beautiful beaches, hiking trails, and great camping spots. Lake Manitoba is also known for its beautiful sunsets—the perfect place to watch them with friends while relaxing around a campfire!

To enjoy your stay, the portage region has several camping venues for visitors to enjoy the prairie landscape.

Delta Beach

Delta beach is a magnificent beach, where farmland stretches beyond the horizon in each direction and where a small population lives at the shore all year round. This destination is perfect for a day trip, or even for an overnight stay at the newly refurbished campsites and upgraded amenities.

Delta Marsh

Delta Marsh is an active wildlife breeding and migration staging area for many waterfowl and songbirds. Birds watchers from all around the world will be able to see some of the indigenous and seasonal flocks

St. Ambroise Beach
Provincial Park

50 km north, on the Manitoba Lake stands the St. Ambroise Beach Provincial Park. Get closer to the water enjoying the white sand beach, boardwalk, and boat lunch but also watch the migratory birds or spend the night stargazing.

PRAIRIE

Transportation

The average commute time is 15 to 30 minutes by car.

In Portage la Prairie transport is mostly by passenger vehicle: the city counts around 7 local taxi and shuttle services. The city is also served by the Mahihkan Bus Lines to Flin Flon and Winnipeg, and a train service (Via Rail) with destinations across the country to the Portage la Prairie Train Station. Two companies for seniors and the disabled, offer transportation services in and out of town.

Rent

The average rent is \$975

The average rent is \$975, ranging from \$552 for a studio to \$1,199 for a 3+ bedroom. In Portage La prairie, the vacancy rate is 8.7% for a 1-bedroom apartment, 9.9% for 2 bedrooms, and 11.8% for a 3+ bedrooms.

New Residential Developments

50 to 90 construction permits are delivered every year

Portage la Prairie is developing an expansion of the city with a new residential area located to the east of 9th Street SE and south of Saskatchewan Avenue. The area has approximately 45.6 acres parcel of land, of which approximately 36.8 acres are developable after removing utility easements. The new area will include sidewalks, active transportation, and all the utilities.

The average length of construction for housing is 5.9 months, and between 50 and 90 construction permits are delivered each year in the city and between 70 and 100 for the rural area.

LIVING

HEALTHCARE

PORTAGE DISTRICT GENERAL HOSPITAL

90 Beds and 20 Specialities

Healthwise, Portage la Prairie is served by the Portage District General Hospital, regulated by the Southern Health-Santé Sud regional health authority. With around 90 beds, and 20 specialties such as cancer care, obstetrics, dialysis, laboratory, and surgery, this hospital can help all members of the family. This hospital also provides service in French.

PORTAGE CLINIC

7 General Practitioners, 2 General Surgeons and 2 ENT Surgeons

Established in 1992, the Portage Clinic is served by 31 physicians, including 27 general practitioners, two general surgeons, and two ENT surgeons. The clinic has a walk-in service, as well as pharmacy, dental, hearing, and physiotherapy services.

PORTAGE WALK-IN CLINICS

Primary general care services with or without an appointment.

The Portage walk-in clinics and the White Cross Health Care Portage allows getting primary general care services with or without an appointment. For at-home care, the Home Care-Southern Health-Santé Sud supports anyone requiring care service or assistance with daily activities.

NEW PORTAGE DISTRICT GENERAL HOSPITAL

A new \$283 million hospital will replace the current Portage District General Hospital. The new facility is expected to be completed in 2025 and will have at least 90 acute care inpatient beds, with increased day surgery capacity, an expanded emergency department and enhanced programs.
